

Homework 1 for Getting Ready with ASK RF Module

CMPE 245

1. Purchase ASK RFT module on line per the class requirements, yo will need both Rx and Tx module;
2. Provide a photo of your RF modules (or photos of your ordered module even if they are in the process of delivery);
3. Prepare 1 slide (PPT) with pin connectivity table of the RF module to GPP ports (one GPP port for input, and one additional GPP port for output);
4. Convert the photos in item 2 to a pdf file using online tool; then
5. integrate this pdf with your 1 slide PPT in pdf to form One pdf file, with following naming convention:
hw1_ask_rf_cmpe245_First_last_name_SID.pdf
Then zip it and submit to the canvas.
